

Acoustics student/graduate wanted

Kvadrat Soft Cells supplies Soft Cells patented acoustic panels to a global client base of architects, designers and forward-thinking businesses. Our innovative products are characterised by superior design, exceptional performance and high quality.

We are looking for a new part-time member of our team to assist us with acoustic testing and product development. The successful candidate will start as soon as possible.

The key benefits of the position are a competitive remuneration/benefits package, excellent project experience and the opportunity to join a dynamic and creative global business.

The location of the office is Stęszew, 20 km outside Poznań in Poland.

The position involves

Working 3-4 hours a week

Testing to discover specific sound absorption levels

Measuring reverberation time

Collaborating on the development of new products

The successful candidate will have

An extensive education

Training in acoustics

The capacity to travel

An excellent grasp of English

Competency in Microsoft Office

A dynamic and enthusiastic attitude

To be part of Kvadrat Soft Cells, please mail your CV together with a short covering letter explaining your interest in the position to paur@softcells.com.

Kvadrat Soft A/S is part of the Kvadrat A/S group, which is one of the world's leading companies supplying high-quality design textiles. To discover more, visit www.soft-cells.com

Kvadrat Soft Cells are patented panels that control sound absorption. They allow you to create a stylish environment with excellent acoustic properties that promotes productivity and well-being.

Soft Cells panels are product of Kvadrat's commitment to pushing the boundaries of textile design. Kvadrat is one of Europe's largest suppliers of furnishing and curtain fabrics for the contract market and for the best segment of the retail market. Today, Kvadrat is a trademark in a professional market where high quality and design are decisive parameters. The company's products are used by a wide range of Europe's leading furniture manufacturers. Kvadrat's market cultivation is based on offices and showrooms in Ebeltoft, Copenhagen, Bad Homburg, Cologne, London, Paris, Milan, Amsterdam, Stockholm, Helsinki, Oslo and Sydney. Soft Cells is a subsidiary of Kvadrat.
